Dear Lisa,

I have the utmost pleasure to let you know that I have received the valuable donation of **\$774USD** from the **Rotary Wheels for Learning** through **A Mine Free World Foundation**.

On behalf of the **Banyan Learning Tree**, staff and students, I would like to take this opportunity to express my deepest gratitude of thanks for your donation to help the poor students in the suburb of Phnom Penh, enabling them to come to school through the Bike Bank Project. Your donation is valuable and appreciated.

Last but not least, I sincerely hope that the relationship between our three organizations is set for a long-lasting cooperation.

In warmth and gratitude from myself, staff of Banyan Learning Tree and students,  
Yours sincerely,
